

HIGHER ECHELON™

170A WOAC Advanced Digital Forensics Instructor/Writer

Location: Fort Eisenhower, GA

Description:

Seeking a highly motivated 170A Warrant Officer Advanced Course (WOAC) Advanced Digital Forensics Instructor to support the Cyber School at Fort Eisenhower.

The Army established the Cyber School of Excellence (CCoE) to train the new Cyber Branch/Career Field 17, which includes courses for MOS 17A, 170A, and 17C. The Cyber Branch primarily provides trained personnel to Army Cyber Command's Cyber Mission Force (CMF) teams. The position will provide instructional support to the 170A WOAC course.

Responsibilities and Requirements:

- Design and develop curriculum content for advanced scripting modules in accordance with 170A WOAC objectives.
- Create instructional materials, lesson plans, and assessments to facilitate effective learning outcomes.
- Responsible for designing, delivering, and updating the Advanced Digital Forensics course within the 170A WOAC Course
- Maintain classrooms, support the training and training development requirements of the Cyber School such as: determining individual critical tasks and learning objectives
- Reviewing/modifying course materials; assist with developing training support documents including lessons plans, individual student assessment plans, POI, and practical exercises; present course instruction IAW the POI and Lesson Plan; and maintain classrooms.
- Always demonstrate model behavior and professionalism

Required Skills:

- A minimum of five (5) years of experience with computer forensics tools like WinHex, Encase, Volatility, Sleuth kit/Autopsy, FTK, or Velociraptor. Has performed digital forensics with traditional disk forensics, live volatile forensics, or acquiring digital evidence in a forensically sound manner locally or through remote forensics tools.
- A minimum of three (3) years of experience with teaching Computer/Digital forensics.

Education and Experience:

- Bachelor's degree in Cybersecurity OR five (5) years of experience in Cyberspace Operations (CO).
- Must possess an active Top Secret/SCI Clearance
- Must be a U.S. Citizen
